## STRENGTH TO BUILD A BUSINESS ON.

Built strong with heavy-duty components and high-performance commercial-grade engines, the Z-Force LZ delivers dependability and the professional results you and your customers demand.

INDUSTRY-LEADING FEATURES. THAT'S THE STRENGTH OF THE **CUB CADET ADVANTAGE.**

### UNBEATABLE CORROSION PROTECTION AND DURABILITY

The Cub Cadet Triple Guard Corrosion Defense System™ with E-Coat delivers automotive-grade corrosion resistance against the elements and wear and tear, ensuring complete protection of critical components for years of reliable performance and a lasting professional appearance.

### CUSTOM LAP BAR DESIGN

Oversized lap bars with quick-adjust knobs, full-length comfort grips and integrated automatic parking brake system add convenience and help reduce operator fatigue.

### THE POWER OF KOHLER COMMERCIAL-GRADE ENGINES

More power means stronger results. The high-performance Kohler engine produces greater torque than ever while the heavy-duty air filtration system ensures that it can consistently perform at full throttle.

**Cub Cadet®**
